### **DETAILED ACTION**

Claims 1 and 3-8 are pending in the application.

This action is in response to applicants' amendment dated September 25, 2006.

Claims 3-8 have been amended.

### ***Response to Arguments***

Applicant's arguments filed September 25, 2006 have been fully considered with the following effect:

1. The applicants' amendments and arguments are sufficient to overcome the 35 U.S.C. § 112, second paragraph rejections labeled paragraph 1a) maintained in the last office action, which are hereby **withdrawn**.
2. With regards to the obviousness-type double patenting rejection as being unpatentable over U.S. 6,642,224 of the last office action, the applicants requested that this rejection be held in abeyance at this time.

Claims 1 and 3-8 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-6 of U.S. Patent No. 6,642,224.

3. With regards to the provisional obviousness-type double patenting rejection as being unpatentable over copending Application No. 10/399,625 of the last office action, the applicants requested that this rejection be held in abeyance at this time.

Claims 1 and 3-8 are provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-8 of copending Application No. 10/399,625.

This is a provisional obviousness-type double patenting rejection because the conflicting claims have not in fact been patented.

4. The applicants' amendments and arguments are sufficient to overcome the 35 U.S.C. § 112, second paragraph rejections labeled paragraph 8a), b), c), d), e), f), g), h), i), j), k) and l) of the last office action, which are hereby **withdrawn**.

#### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
